Dear Bob,

9/5/12

We have just completed another successful *Patriot Golf Day* weekend, and I wanted to take a moment to Thank You, and your team of 'Caddies' for reaching another milestone in support of the *Folds of Honor Foundation*. To date, your organization has provided over **\$25,000.00** to the *Folds of Honor Foundation* through your 'Caddie Fore The Hole' program.

Your organization has consistently 'teamed up' with various golf courses over the last few years to conduct your unique 'Par 3' contest in support of our foundation. The results far exceeded our expectations! We hope those same courses will continue to partner with you going forward, and we would encourage other courses to consider the benefits of this program as well.

As a veteran yourself, I know you recognize the struggles and hardships that our military families find challenging to address. Your organization's efforts have had a significant impact on the scholarships we have been able to provide to them. Once again, thank you and your caddies, for being 'wingmen' in support of our mission!

Sincerely,

Tony Biata, PGA
