To whom it may concern:

This letter is in support of Caddy for the Hole and the outstanding services they provide for golf tournaments.

During our recent golf tournament held in June 2007, Caddy for the Hole was on site in support of our event. As a result of their involvement, we were able to provide an additional activity on the course for the golfers and raise additional dollars....all at no cost to us! Caddy for the Hole provides an incredible menu of services to support golf tournament management. Their professional presentation adds a touch of flair and we were delighted to have them at our event.

*Tammy Marine*  
Executive Director

I highly recommend Caddy for the Hole for any golf fundraising event. Please contact me if I can answer questions about the experience we had with them at our tournament.

Sincerely,

Tammy Marine,  
Executive Director
