Dear Sam,

On behalf of the London Bridge Golf Course and our staff I would like to thank you and "Caddy for the Hole" for being part of our golf operations. Your multiple services provide a win for all parties. You have created additional revenue for our charity, Hospice of Lake Havasu, and have increased both our golf revenues and merchandise sales. We have found you and your staff to be very professional in dealing with our golfers while enhancing their experience at London Bridge Golf Course. I would readily recommend "Caddy for the Hole" at other golf courses.

Thank you again for bringing the "The Caddy Contest" to London Bridge Golf Course.

Sincerely,

Sammy Eshragh, General Manager
London Bridge Golf Course
