*** * The 5th annual KMMF golf tournament is coming soon! * ***

The KMMF is honored to welcome you to our 5th Annual Golf Tournament benefitting San Diego students. Our Annual Golf Tournament helps raise crucial funding to support ROP and other San Diego school programs with equipment and supply purchases. Each year, The KMMF also offers scholarships for high school seniors. [Check out how the youth have benefitted from your contributions just in this past year.](#) WE NEED YOUR PARTICIPATION to continue our contributions to this worthy cause.

We are excited about holding this tournament at [Mt. Woodson Golf Course](#). Mt. Woodson is an exclusive, demanding course. Its beauty alone is worth attending this tournament. Golfing at Mt. Woodson will be unforgettable. Topped with the camaraderie, dinner, and raffle prizes this event will prove to be the best The KMMF has ever organized.

Dinner-only guests also receive 1 raffle ticket with their contribution.

There will be a surprise hole out there for the golfers. A representative for [Caddy Fore the Hole](#) will add some interest to your game. Funds that he collects will help The KMMF toward our goal.
